

Volunteers honored at fur trappers' ball

Buckskin, blanket coats and buffalo stew helped to waft those in attendance at the Second Annual Fur Trappers Ball back two centuries in time last Saturday evening, honoring the age-old tradition of feasting and dancing the Red River Jig to a lively fiddle tune.

An appreciative crowd, including a head table flanked by Duncan McGilvery of the North West Company (personified by Larry Winkler) and William Tomison of the Hudson's Bay Company (otherwise known as Frank Mayner), Beaver River MP Deborah Grey and Alberta Culture Historic Sites representative Irene Jendzjowski, enjoyed a hearty fur trade era meal including smoked whitefish, buffalo stew, roast pheasant, bannock and wild berries, all elegantly served by a contingent of students from F.G. Miller High School. The meal was preceded by a grace dating back 200 years, and ended with a toast from 1763, both courtesy of Tomison / Mayner.

Vern King, representing Elk Point Town Council, thanked the Friends of the Forts for the work they are doing to promote the forts and their programs. St. Paul Mayor Paul Langevin brought greetings from his Council and congratulated the Friends on their part in keeping culture alive.

A warm round of thanks was given to the cooks, waiters and all those responsible for planning and carrying out the event, including Mabel Dumont and Dorothy Malinowski, who made the bannock, and the Elementary School students whose artwork decorated tables and walls.

Irene Jendzjowski commented that the ball had a twofold purpose: to raise the profile of the Friends of the Forts and increase membership, and to recognize the volunteers who have assisted the Forts in their first year of operation, as parts of the Advisory Board, those who have assisted with programs

Town unable to finalize budget

Ed Buck
Mayor, Elk Point

Due to the recent announcement by the Provincial Government that all Provincial grants will be re-evaluated, and that this announcement will not be made until sometime in March, the Finance Committee is unable to finalize the 1993 Budget at this time.

The Finance Committee has done an extensive study of the budget, and once information is received from the Provincial Government stating what the grants will be for 1993, the budget will be finalized.

The Town is able to continue "business as usual" in the meantime because Council has passed a resolution adopting an interim budget for 1993.

Red Cross kicks off

Elk Point and area Red Cross will kick off their annual canvass for donations today at a Canvassers' Tea in the Seniors Recreation Centre craft room, beginning at 2 p.m., at which kits will be handed out to the volunteers. The canvass will continue through March, as usual.

TOFIELD WINS PACERS 20TH ANNUAL TOURNEY - These Tofield hoopsters took the championship in the 20th Annual Elk Point Pacers Basketball Tournament. Team member Mike Kornack (back row, left) also won the MVP award.

Watch next week's issue for more on the tourney.

Curling Club up and running!

Compressor problems which cancelled last week's league games and several weekend funspiels at the Elk Point Curling Club have now been taken care of and all systems are GO for this weekend's Mixed Bonspiel.

The Curling Club advises that a new compressor has been installed and is operating smoothly. Due to technical problems, the old compressor could not be repaired and had to be replaced.

By the time curlers read this, their skips should have been contacted to confirm this

week's league draws.

The Mixed Bonspiel has plenty of room left yet, but please hurry as details must be finalized. Phone Dave Yake at 724-4200 to enter.

A very busy three weeks have just passed for the Curling Club, with both the Oilmen's Bonspiel and the Town and Country Bonspiel being completed successfully before the compressor breakdown.

Final season standings from league play should be ready for publication next week, and playoffs will be commencing immediately.

Runway price hike shocks council

The Airport Commission meeting of February 1, 1993 provided a shock for Town of Elk Point representatives in attendance, when the government engineer present told the group that the cost of extending the Elk Point Airport runway to 4500 feet would be more than double the original estimate.

Councillor Dan Povaschuk said the \$429,000 price tag "was a shock to everyone, including the representative from the Minister of Transportation." Despite the dramatic increase, the other parties, the Canadian Business

Aircraft Association, the Province and the County of St. Paul, appeared to feel it was worth carrying on, but Povaschuk "didn't feel I could ask the Town ratepayers for more."

Povaschuk "would hate to see the project die, but can't see putting more in" than the originally proposed \$17,500 Town contribution. Even that amount would cost the average household, with a \$70,000 home, additional taxes of \$80.88 spread out over three years. The Town could use reserve funds for the project, but would have to replace

them by levying additional taxes, and would also lose the interest on the funds during the period of repayment. Commitment to the project would be required as soon as possible so the runway could be completed by this fall.

Council was asked by Deputy Mayor Lawrence Pidluzny for their views on the project. Councillor Bill Schuhmacher noted that the present airport costs the Town \$6500 per year for their share of upkeep, and that a larger facility would cost more to operate. Spinoff income "will never even pay

this [the present upkeep]. I think we should tell them we can no longer support this. We have to act in the best interest of the ratepayers."

Councillors Mae Hendrickson, Betty Callbeck and Vern King also expressed concerns with the operating costs. Ms Callbeck said "it's not just the three years to pay for it. The taxpayers are going to be upset," while King felt the airport should be closer to self-supporting.

However, Council is still not ready to give a complete 'no' to financial support of the

WINDSOR CLUB LADIES' GRAND CHALLENGE - Jack White presented his trophies to (back row, left to right) Stella Lorenson, Janel Lawrence, Lydia Pelech and Sandra Cameron after their Grand Challenge win over (front, left to right) Georgina Morris, Rodah Lorenson, Mary Nelson and Mim McCollum in the Windsor Club Ladies Bonspiel. Idella Matthews skipped the third place rink and Maryann Kozicky's rink placed fourth in the first event.

SECOND EVENT WINNERS - Edith Young and rinkmates Margaret Young, Doreen Young and Kim Young (back row, left to right) took home the Skolarchuk Auction Service trophies following their final win over (front, left to right) Shirley Kinneberg, Mary Kinnerski, Diana Anderson and Charise Kinneberg in the Second Event. Marj Osinchuk's rink was third and Lori Nelson placed fourth.

THIRD EVENT WINNERS - The Hillebrand Farms trophies, presented by Kenna Hillebrand, went to Third Event winners (back row, left to right) Cathy Ockerman, Helen Skolarchuk, Nellie Hillebrand and Armina Kinnerski. They defeated (front, left to right) Audrey Smith and Myrna Lalonde of Millet, AB, Lily Seal and Amelia Jasinsky in the final, giving Grace Kinnerski's foursome third place and Terri Breen fourth.

4-H Beef Club meets tonight

Jeffrey Dostie Club Reporter

On January 17, 1993, a fun day of bowling was held to replace the 4-H Christmas party that was cancelled due to weather conditions.

Our regular meeting was held January 20. Kyla Makowecki came in for the 4-H Public Speaking workshop. The speakoff will be February 28. Sheldon Kinnerski will be master of ceremonies for the occasion. Our next meeting is February 17.

On Sunday, January 24 the club held an afternoon bingo at Club Bingo Hall. We'd like to thank all players and members who helped make this day a success.

The 4-H Beef Club will be raffling four halves of beef. Tickets will go on sale February 17 and will be available from members and various local businesses at \$2 each.

On February 20, members will be attending a judging seminar in Vermilion.

A Mini Achievement Day will be held April 25 at the Riding Barn.

Our Club Show is scheduled for June 5, followed by the District Show and Sale on June 7 in St. Paul. June 13 will be the District Heifer Show in Elk Point.

project. A vote to that effect was defeated, but a second motion to table the decision until the Provincial grant funding has been committed and the Town budget is finalized was passed unanimously. The CAA, Province and County will be notified of this decision.

The airport question is not the only decision to be left in limbo until the information on Provincial grants is received. The entire Town budget has been tabled until that time.

IN OUR BACKYARD

Alberta Special Waste Management Corporation

LESS IS MORE

Waste Minimization is the process of reducing the flow of wastes to ease pressure on landfills and treatment facilities, and recovering waste materials for use in other forms. It's a good idea - and, as you can see by Alberta's successes in hazardous and special waste minimization - it works. Clearly, the less we waste, the more we benefit.

Over 4 Million Pesticide Containers Collected and Recycled.
Between 1987 and 1991, 4,380,000 pesticide containers were collected from Alberta farms, and the metal recovered.

3,000 Tonnes of Steel Recovered.
To date, pesticide container recovery has produced 3,000 tonnes of steel used in the manufacture of reinforcing bar.

2,147,000 Litres of Used Oil Recovered and Reprocessed.
Used vehicle and engine oil collected at UFA agencies through Oil Recovery Alberta has so far produced nearly 2 million litres of reprocessed oil.

...and in our community:

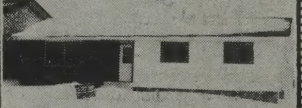

A good way to spend these last chilly days of winter is busy with pre-spring cleaning: Sort out the summer clothes and send those that don't fit to the Rummage Store, along with discarded household items * Bundle up the old newspapers and haul them to the Lioness Recycling Trailer * Haul your empty bottles to the depot and use the proceeds to buy yourself a house plant!

From hockey to tennis

Growing up into manhood can be compared to hockey. As a young boy you learn to stand on skates and then progress to skating. As you grow and develop so do your skills. You learn to check, stick handle, to shoot and score! Hockey plays and manoeuvres become second nature to you. Then as a man you meet your "significant other". Much to your surprise you discover that she thinks the game should be tennis!

Male/female communication is not a simple matter. Learn how to make sure you are crossing the barriers by attending a workshop on how to understand and speak the different languages of the sexes.

Attend "Men/Women: Can They Communicate" between 10:00 a.m. and 3:00 p.m. on Saturday, February 27 at the Further Education Centre. Please bring a brown bag lunch. As an extra incentive all men can attend the workshop for half price (\$2.50)! Call 724-4101 to register or for more information.

Bouquets

Big bouquets go out to all those who participated in the Family Day activities. Special thanks to the Ag. Society for their generous donation of ice time at the arena. Thank you to the Curling Club for their generous offer of ice time at the curling rink, but due to mechanical problems it had to be cancelled.

BEST IN THE WEST - Elk Point Co-op Manager Rodger McLaughlin recently was presented with a prize of \$400 in free products from Culinear Foods, who distribute Paulins and McCormick's brands. Darcy Jenkins congratulated McLaughlin on his creative promotion display last fall, which was judged to be the best in western Canada. In conjunction with the display, a customer draw was held for \$400 in Culinear products, and this was won by Tony Hawryluk of Elk Point. This is the second display contest win for McLaughlin, who won a nation-wide produce display contest some years ago when he was employed in Edmonton.

Our Past Early accidents in Elk Point area

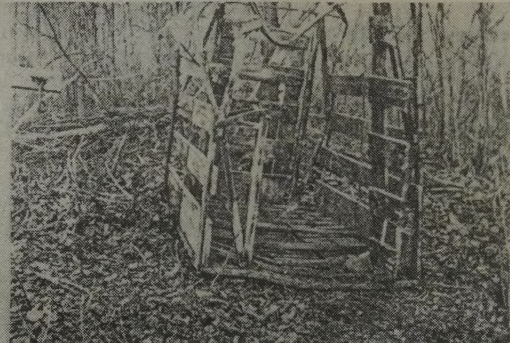

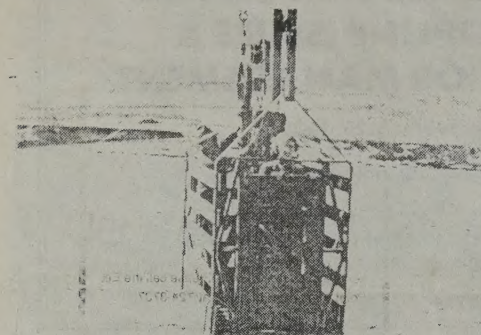

TRAIN - CAR COLLISION - The two photos above show a 1931 accident between a freight train and a Model T Ford at the site of the present Highway 41 crossing in Elk Point. Amazingly, the car's occupant was unhurt. Two flatcars were derailed.

THROUGH THE ICE - William Soldan went through the river ice with a load of grain in the 1930s.

'CAGE' WRECK - The photos below show an accident in April, 1939 which involved the 'cage' or cable car which people used to cross the river in pre-bridge days. The 'deadman' or anchor in the centre photo fell into the river, causing the cage to drop 18 feet to the ice below. A number of passengers were on board, but survived without serious injuries.

Students honored

To the Editor:

It was a great pleasure to be part of honoring the five students for their achievements in the poster, essay and poem contest. Soon we will know who will advance to the Provincials. Ultimately, one or more could be in Ottawa on November 11, all expenses paid.

It would have been natural for their teachers to be equally proud of their students. However, in contrast to F.G.Miller High School, the

Elk Point Elementary School was very prominent in the absence of teachers, not a one.

And these are the teachers, who profess - at contract time - to be so concerned for the student welfare, yet could not be bothered... How do you expect them to believe, that you have their best at heart, when your actions show otherwise?

Smoke free place

Dear Editor:

I believe we children should have a smoke free place to grow, play and learn in a smoke free environment. We heard on the news that second hand smoke is extremely harmful compared to smoke straight from a cigarette. As for myself, I wouldn't like to get cancers and other types of

diseases related to smoking.

I believe that in our school and in other schools should enforce a smoking by-law to have a smoking area where non smokers don't have to inhale other people's smoke. Our school has a smoking by-law from the County which prohibits smoking on school

Legion presents the zone awards

Five Elk Point students were the honored guests at the Elk Point Branch of the Royal Canadian Legion this past week, when they attended the monthly meeting for the presentation of Zone awards.

The youngsters, their parents and other guests were welcomed by Legion President Louis Verhagen. Fred Kryvenchuk gave a brief history of the Royal Canadian Legion, which was formed in 1925 and which is now involved in sports, education and seniors activities, among many others. Past President Helen Moneta said that Legion membership is dwindling in Elk Point, where not much interest is shown in the organization. Despite this, the Branch raised and distributed an admirable \$12,010 over the past year, with donations toward the Seniors' Recreation Centre, the Library showcases, an exercise bike for Heritage Lodge, toy boxes for the Hospital Pediatric Ward and expenses for an athlete to attend a workshop. She expressed thanks to the community for their purchase of poppies and wreaths for Remembrance Day.

Zone Commander Roy King was on hand to present certificates, crests and award cheques to the students. Jeffery Dostie of F.G. Miller High School placed first in Intermediate Colored Poster, while four Elk Point Elementary students received awards in the Junior categories: Michelle Hutton, first, Colored Poster, Andrea Myshaniuk, first,

ter.

Commander King was pleased to see art teacher Kaz Lazicki present, and said he was "deeply indebted to the teachers for the work they put into" the poster contest. He explained that the winners' entries have now gone on to District level, and the winners from that competition will go to the Provincial level. Provincial winners in turn go to the National contest, with the final winners invited to Ottawa for next November's Remembrance Day ceremonies.

Town Councillor Mae Hendrickson offered best wishes to the succeeding levels to the award winners, after which Sid Holthe issued an invitation for anyone interested to remain on hand for the regular Legion meeting.

Literacy quilt to be displayed

The Literacy Quilt, a quilt made during International Literacy Year, 1990, by the members of the Literacy Coordinators of Alberta, will be on display in the Library from March 1 to 5.

The Girl Guide movement has a display in the showcases to commemorate "Thinking Day."

The preschool Storytime Valentine party was held in the library on February 12. Stories, a puppet show and a game were enjoyed. The children ate heart shaped cookies that they had decorated themselves.

One thing you should never do is send your kids to go buy cigarettes because after getting them a couple of times they will try them. I think the provincial government should ban smoking in public areas. I think that if we prohibit ads on television and magazines, this may become a smoke-free world.

and events at the site, and the members of the Friends.

"I hope the momentum the Bicentennial started will continue for many years to come," Ms Jendzjowski said. "Our Branch [Historic Sites] makes history accessible through its programs, which are both entertaining and educational. We see more and more time used by parents to give their children access to the past through historic sites." She noted that during the first season, a commendable 7500 people visited the site, which shows the value of the experience the site has to offer. "Our programs help today's population to understand the past."

Ms Jendzjowski acknowledged that the season "couldn't have been as successful without your support, your commitment of time and service." She noted that the experience was also rewarding for the volunteers, by giving them an opportunity to learn more about the history of the site and to expand their horizons.

Director of Visitor Services Louise Crane distributed pins and certificates to those who donated time directly to the forts, and said "the time you donate to your community is your payment for living on this earth." A total of thirty volunteers have taken part over the past in the Fort's operation over the summer of 1992, with almost a thousand hours donated.

Gail Kozicky presented certificates to the Friends of the Forts volunteers, and thanked them for their enthusiasm, support and assistance.

Frank Mayner led a standing ovation for longtime Elk Point Historical Society members who, over the years, lobbied and laid the groundwork for the development at the Forts which the community and the travelling public now enjoy. Among the members of this group who were in attendance were Irene Magnusson, Grace Barwick, Sid Holthe, Barbara and Bill Milholland.

MP Deborah Grey is a member of the Friends of the Forts, and remembers that when she first came to the area to teach at Frog Lake in 1979, "there was already talk about getting the forts developed." She welcomed the out-of-town visitors to the Ball, and said that "more and more people are becoming aware of the Forts" all the time. Ms Grey said the evening provided "a great combination of history, good food and love. Those who committed their time, energy and efforts deserve to be recognized." The Beaver River MP declared she will continue to be supportive of the Forts, and told the Friends she could guarantee to be "your best walking and talking advertisement - I tell everyone about the Forts."

GRADE 7 HONOR ROLL - Academic Honors went to Grade 7 students Claudia Naber, Ben Poulin, Derek Jamieson, Stacey Kozicky, Stewart Povaschuk and Paul Erickson; Amanda Ference received Honors; and Honorable Mentions went to Christa Lypka, Bradley Pankiw, Loren Kozicky, Tyler Warawa, Carrie Baumgardner, Charissa Brown and Jaylene Purdy. More Honor Roll next week.

Elks add eight points

With two pairs of their round robin games completed, the Elk Point Elks have added eight points to the single point from the regular season.

The Elks won both games against Paradise Valley, with a 5 - 3 victory Tuesday night and a 9 - 4 win on Wednesday. Jon Olson with a pair and Layne Gauchier, Rick Marcoux, Kerry Loughran, Mike Boratynec, Coiry Laboucane, Dwayne Karbaszewski and Kelly Harms with singles were Wednesday's goal scorers, with assists by Boratynec (2), Lindsay Jenner (2), Harms, Allan Loughran (2),

Karbaszewski, Gauchier, Olson, Kerry Loughran (2), Terry Wozniak, Marcoux and Greg Rheame.

Saturday night saw the Elks on the road to Neilburg, where the home team's early lead was obliterated in a 6-2 Elks win, with 3 goals by Rick Marcoux, and one each by

Cory Laboucane, Dwayne Karbaszewski and Greg Desaulniers. Neilburg declined to return to Elk Point for Sunday's game and forfeited the two points to the Elks.

The Elks are now in the midst of their back-to-back games with Dewberry tonight at the A.G. Ross Arena

Pan-Can kicks off scholarship

Bryan Campbell, superintendent of PanCanadian Petroleum Ltd. in Elk Point, presented the Bonnyville Sports and Recreation Association with a \$1000 cheque last week toward their newly set up scholarship fund for Bonnyville Junior 'A' hockey players. The Association is the franchise owner of the Bonnyville Junior 'A' Pontiacs.

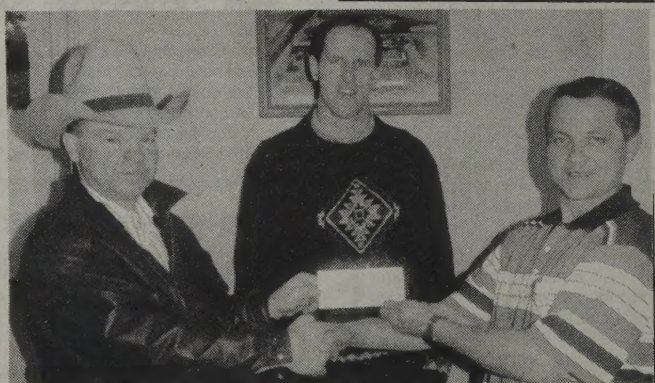

This is PanCanadian's 1992 contribution to the first year of the annual scholarship fund. The Association's Board of Directors has set the goal of raising \$10,000 per year for the fund, which will provide financial assistance to boys who play for the Junior 'A' Pontiacs and who later wish to take post secondary education in Alberta. Association director Harvey Aarbo is chairman of the Education Scholarship Fund committee, and says that these boys "could very likely continue their hockey careers also," playing for such teams as the University of Alberta Golden Bears or the NAIT Ooksiks. Aarbo said the advantage of the fund to the Pontiacs is to give the team "a drawing card" to attract players to Bonnyville and to "keep our elite hockey players from northeast Alberta at home."

The Alberta Junior Hockey League is a league which promotes education scholarship routes for its players. One route is to get a 'full ride' education scholarship in the U.S. Second, some players leave the Tier II AJHL to play in the Tier I Western Hockey League, as five members from the Pontiacs'

1991-92 roster are now doing. The scholarship fund will give a third option, in which north east Alberta hockey players who have played at least one year for the Pontiacs can be awarded a scholarship to go directly toward tuition for post secondary education in Alberta.

The candidate will be picked by a scholarship fund board of governors, on which the superintendent of Pan Canadian in the Elk Point area will sit as a member. Other companies that support the scholarship fund will also have the option of having a member sit on the board.

The Bonnyville and District Sports and Recreation Association is very grateful to PanCanadian for their initiative in kicking off the scholarship fund, and hopes that other corporations, associations and members of the public will see the value in the Education Scholarship Fund.

HOCKEY SCHOLARSHIP INITIATED - Bryan Campbell of Pan Canadian Petroleum (right) presented Director Harvey Aarbo and President Mitch Sylvestre of Bonnyville Sports and Recreation Association with a cheque for \$1000 to kick off a scholarship fund for Junior A Pontiac hockey players.

This will not only support hockey players in their post secondary education, but also provides northeast Alberta boys with a chance to play an elite level of hockey close to home. They hope the end result will be a successful first class level hockey team for fans in northeast Alberta.
